

About the Event

Over the past 12 months the Medical Livewire team has travelled extensively in order to find the most impressive accommodation, clinics & facilitators. Now that the continent and regional winners have been announced we are delighted to unveil the Medical Livewire Medical Tourism Awards Ceremony, in association with the Luxury Travel Guide, which pits all of our current winners from around the world against one another to discover the very best of the best. The winners can take great pride in knowing they are the undisputed global winner for their respective category.

The Medical Livewire awards team are honoured to be hosting this event for the most esteemed guests and influential professionals in the global travel industry, who will be commended for their continuous efforts in our awards presentation on the evening. The Medical Tourism Awards represent a worldwide community of the highest calibre of accommodation, clinics, insurers, and facilitators. All of the selected winners are subject to the same rigorous assessment criteria, carried out by our in-house professionals. This ensures only the most deserving individuals and organisations walk away with one of these prestigious accolades.

The Awards Ceremony will be taking place at The Waldorf Hilton, in the historic district of one of the world's most iconic capitals, London, on Monday 6th November 2017. Guests can look forward to complimentary welcome drinks and an opportunity to network with fellow travel industry professionals. The black tie event will include a sumptuous three course dinner, live music, and we are also delighted to announce that Luxury Travel Guide Guest Judge and Travel Channel host of Resort Rescue, Shane Green, will be in attendance to present the Awards Ceremony. This truly will be an evening of celebration.
